How about faith in Jesus?

Surprised? Some people think that faith in Jesus developed in Europe, then came to America. Yet, Jesus' message penetrated Africa before it ever reached Europe. In fact, by 300 A.D., there were over one million followers of Jesus in Egypt.

It's a false assumption to think that Christianity is a "white man's religion." Don't let others rob us of our spiritual heritage. Read the article, "The Truth about Jesus" on the Web at EveryStudent.com.
