It doesn't matter what's happening on the outside. On the inside, life can still be quite unfulfilling. That may be because we're not just physical beings. We're also spiritual beings who need something beyond this world to satisfy our souls.

To be a complete person, God says that we need a relationship with Him. He fills the void. Find out more. See the feature article, "Real Life" on the Web at [EveryStudent.com](http://EveryStudent.com).
