

Does Anyone Really Live a Wonderful Life?

"It's a Wonderful Life" has become a Christmas icon. It touches the deepest part of us because everyone wants to live a life that really matters. Yet as comforting as it is to watch, we often realize that for most of us we really haven't lived a wonderful life...not yet. But we hope to.

We know that there will always be challenges and struggles in any given day. But with that, we hope to find something to carry us beyond the mundane. This is what Jesus offers. He never says a problem-free life. But he clearly promises that if we will believe in him and follow him, we will have supernatural peace, a greater love for others, and a relationship with God that will quench our thirst for a meaningful life. In short, a more wonderful life.

Just like we saw George Bailey be given a clean slate, Jesus offers you a new life. If you will reach out to Jesus with a simple prayer for him to come into your life and give you a fresh start, he will.
