

*A Safe Place to Explore Questions About Life and God*

Many of the people we talk to have challenging questions about God.

You can help them get answers by pointing them to EveryPerson.com. Everything is worded to them, for them.

EveryPerson.com addresses their most pressing questions while giving them reasons to begin a relationship with God.

More than 2,500 people every day receive Christ through it.

Here's how it can help you...

# 1. Offer EveryPerson.com and the person senses that you care, that you want to help them.

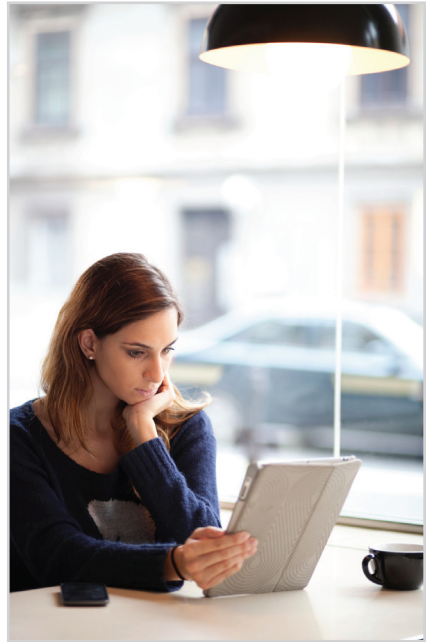

People might want answers for their life. They might even be searching for God. Yet many will be guarded in revealing what they are really thinking.

Offer the site and they feel you are not controlling them, but helping them in their search.

Online, their defenses can come down. They are in control. No one is challenging them. They can be honest. It's the perfect environment for God to speak to them.

## EveryPerson.com addresses some of their deepest questions:

*How can you prove God exists?  
Where is God in tough times?  
Does God answer prayer?  
Why Jesus, not another religion?  
How can you believe the Bible?!  
God's love toward LGBTQ?*

*"My prayers are now very emotional. Often tears flow on my cheeks. It is impossible to describe. I found a light in the dark. I opened my heart to the Lord Jesus. I am so happy." ~Ondre*

*"Through your website, I felt that God was talking to me directly." ~Julia*

*"Here I was a Muslim, reading article after article, thinking, 'This is true! This is true!!' I sent the site to my friends, praying God would speak to them. Many became believers." ~Shariff*

(Encouraging someone to see EveryPerson.com also provides an opportunity for a second conversation. "What did you think? Was it helpful?")

## 2. God changes lives.

*"Thank you for steering me in the right direction in knowing Christ. You have made it so easy and I feel like a completely new person. Oh how my life has changed in three weeks!" ~Jennifer*

*"You have offered me a gift which has changed my life. I feel indebted to you for making the information available in a way a complete novice like me could understand." ~Stephen*

*"My life seemed great on the outside, but deep down I was breaking into pieces. Life was becoming harder and harder. Countless sexual partners, lots of lies. Sometimes I would just sit alone and cry. My life was a mess. Then one day I came across your website. You introduced God to me in a magnificent way. It has transformed my life." ~Felix*

*"The evidence you give was sufficient to convince this 33 year old, life-long atheist. Not an easy challenge!" ~Caroline*

*"You may be changing my life forever. An atheist for so long, pushing god and religion away for all these years. In one day my life at 28 years old is just beginning." ~Matthew*

## 3. You can help people of any language.

EveryPerson.com is in more than 40 languages. Arabic, Chinese, Spanish, Turkish, Hindi, Portuguese, etc.

## 4. Three believers' honest conversation...

*"I love Jesus but every time I try to talk to someone about Him, I feel like I'm stumbling through some sort of sales pitch, trying to convince someone of something."*

*"Man, can I relate and hence, why I almost never broach the topic."*

*"I wrote in my journal to Jesus two weeks ago, 'I'm sorry that I hate evangelism so much. Can you please fix this?'"*

All three said knowing about EveryPerson.com, "totally fixed it!" They felt a new freedom, a new excitement in knowing a comfortable way to talk with people about Jesus.

## 5. Your conversations can be more comfortable.

Every day you have short conversations with people while shopping, or at work, or while traveling. As you talk about your lives, where you're from, your interests, you can say...

*"I'm connected to a website that takes on the hard questions about life and God, like why is life so hard and how do you know God exists?"*

**This alone might start a longer conversation. Either way, before leaving, you can say, "Here, let me give you a card to this site in case you'd ever like to explore questions about God on your own."**

A believer said, "I took three cards and had conversations with three people today! It was so easy!!"

## 6. This is useful anywhere, with anyone.

Carry EveryPerson.com cards with you, and watch God bring people your way... friends, people at work, neighbors, Uber drivers, etc. Simply mention the site. People will sense that you're merely resourcing them, not trying to control them. You'll often hear them thank you, for talking with them.

*"I know a great website that takes on the hard questions about life and God."*

## 7. You'll find new freedom in talking about God.

*"I am smiling as I read this. It is awesome. Now I have some idea how I should interact with unbelievers."*

*"This is a fantastic resource. I will be using it."*

*"You said, 'I honestly think that through this, you'll discover an exciting new dimension in your relationship with God.' Wow, you hit the nail on the head. My relationship with God is a new dimension. This website was the best thing that ever happened to me spiritually...thank you, thank you, thank you."*

*"I have been following Jesus for 23 years, and I can't thank you enough for your ministry. I am learning so much about sharing my faith."*

*"Now I can speak about Jesus to my friends and even share some on Facebook and WhatsApp."*

### Starting With God

**Congratulations on your decision to ask Jesus Christ into your life.**

What now?

- *If this were a religion*, you could expect someone to give you all sorts of Rules. Rituals. Requirements. And maybe a lot of stuff to buy!

But when you asked Jesus into your life, you did **not** join a religion.

Instead, you began a *relationship*. With God.

And that's pretty amazing.

You might be wondering, how do you get to know God better?

**True story:** A believer was standing in a hotel lobby.

A woman asked her, *"Are you with our convention?"*

The believer replied, *"No, I'm connected to a site that takes on the hard questions about life and God, like why is life so hard, and how do you know God exists?"*

The woman said, *"I'm an atheist, but I'm searching."*

The believer replied, *"You will love this website. It will give you reasons to believe in God and show you how you can start a relationship with God today! May I give you a card to it?"*

The woman teared up and said, *"Thank you so much."*
